## JOBS FOR THE FUTURE

Year 5 had an incredible opportunity this week to work with a company called 4wardFutures (4FC). They are a careers education charity who have developed the "Engineering a Sustainable Energy Supply" (EASES) project to introduce learners aged 8 to 11 to the work that engineers and professionals from the renewable energy sector are doing, to develop a sustainable energy generation and supply system – a resource that has never been higher on the national and international agenda.

## RUGBY SUPERSTARS

Woodland took part in SHARES rugby tournament this week and gained GOLD! Under the leadership of George B, who plays for Ormskirk RUFC, they were unbeatable. Well done!
