It is with a heavy heart that I write to tell you that after a difficult decision, Mrs K (Kyriacou) has decided to retire from her role at Woodland. During her time at our school Mrs K has touched many hearts of children and parents. Her time in the Place 2 Be, where outstanding nurture was offered to our families, will be her legacy. She formed strong relationships with whoever she met, always wanting the best for the children. She will be greatly missed by every member of the school community but we wish her all the best as she moves onto a new chapter in her life with her grandchildren and family.

Do You See Me?

This was the theme of Learning Disability Week and what a privilege it was to witness how Young Voices Choir and Raised Voices Choir, encapsulated this. The collaboration of both choirs is something very special and unique to Woodland. As the choirs sang, "Something Inside So Strong," there was not a dry eye in Lathom's arts theatre. Claire Cooper, our Chair of Governors summed up the afternoon by stating, "We live in a wonderful town and our young people are it's greatest ambassadors and I am very proud to be a small part of both Woodland and Lathom."
