This month children across school will be learning about the rich and diverse history of black individuals and the contributions that they have made to society. It is a good opportunity to ask your child about who they are studying.

It was great to welcome new families at our Open Evening this week. Admissions for Reception 2025 are now open. Please apply following the link below and select Birch Green Woodland CP School

If you wish for your child to attend our wonderful Nursery please pick up an application form from our school office.

Well done

End of an Era

It was really sad to say goodbye to Elaine, who has worked at Woodland since 2004. Elaine has been an important member of our Woodland family but now it is time for her to enjoy more quality time with her own family and friends and start the next chapter of her life. We will miss her but she will still be dropping off her grand daughter so will look forward to keeping in touch.

Poetry Day

School had a great day on Thursday, celebrating sharing and reading a variety of poems. Some classes have visited our local school library and I was very proud to receive the following comments from Angela, a librarian,

"Thank you so much for coming to the library this afternoon, it was wonderful to meet the Year 6 class and they were an absolute credit to your school. I can see how it will be a difficult decision to choose prefects tomorrow!"

Well done Year 6, we are also very proud of you.
