24.1.25

This week, Y5 got to design, create and test space rockets. The Science Technology Engineering and Maths company have worked with the RAF to create the whole day where we watched a YouTube live stream. They taught us about forces such as drag and thrust, and also about parts of the spaceship including boosters and nose cones. Our rockets turned out great.... maybe the next Tim Peck is here at Woodland in Y5!

Chippy Lunch for 100%

Well done to 5BM/SL for achieving 100% attendance.

CONGRATULATIONS to Yr 1 and 2 for taking part in a multi skills event this week.

They enjoyed a cone of chips and fun on the playground.

Best Attending Classes this week

1AD & 6AM

Wonderful Woodland

On Tuesday, our indoor athletics team took part in a competition at Burscough Sports Centre. They have trained very hard for this event and all their efforts paid off as the team came first. As if that wasn't enough the results were compared to the Ormskirk district and we have come top overall and will represent West Lancashire in the county finals. Another proud moment was that a local head teacher congratulated our children and said that St Teresa's aspire to be like Woodland.

DATES FOR THE DIARY

4.2.25 Swimming Gala
6.2.25 Young Voices concert at Coop Arena
12.2.25 Team Reward afternoon
