### Marley Magic at YV

Another inspirational event at the COOP arena took place last night and I am so proud that Woodland was part of it. The staff and children's hard work and efforts paid off as the concert was an amazing success. One of the highlights was taking part in the live streaming event of celebrating what would have been Bob Marley's 80th birthday. Thousands of children across the world took part in singing a Marley medley. Check out the link below as two of our children, out of 7,981 children, featured on the video.

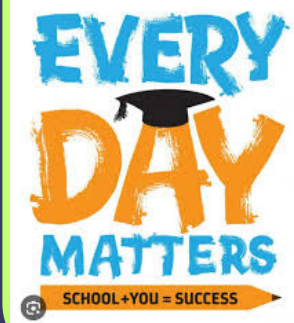

Many thanks to all parents, family members and staff who supported the event too.

They all got chance to rave with all their children and Urban Striders.

**Looking for something free to do with the kids this weekend?**

**This week at Kingfishers Club we warmly invite all children to join us on a delightful walk to uncover the early signs that Spring is eagerly waiting just around the corner.**

**As we await the results of the Big Garden Birdwatch, to keep in the spirit, we will be creating our own delicious snacks for the birds to enjoy in our gardens. So, come on down and get involved- every child is welcome but please remember to bring an adult along for the adventure.**

**We kindly ask that you wear sensible clothes and footwear for the walk as it is still a bit chilly and muddy out there!**

**Come and meet us in The Community Classroom, Manfield, Ashurst, Skelmersdale this Saturday the 8th of February at 10am**

**(If you are travelling by car parking is available outside the Allotment compound)**
