Woodland Wonders

ART EXHIBITION

On Wednesday we will be hosting our own school art exhibition. Children have been working on their designs for their canvases which will be put on display in the school grounds. Please pop in from 8.45am to view your child's creation. We are selling the canvas at £3 each which can be paid on Scopay.

Lancashire Games

We are very proud of our children who represented West Lancs at the Lancashire finals for Boccia. They had an amazing time and came 4th out of 16 schools. Well done!

Smashing SATs

Our Year 6 children took their SATs this week and we have been very proud of their attitude towards them. As previously mentioned, they are only a small part of showing what a child is capable of. Now it's time to look forward to the last few weeks at Woodland: their performance, Patterdale residential and themed week but to name a few. Fun starts on Friday with a well earned trip to the Beacon.
