RACE ACROSS THE WORLD WEEK

The first three days have gone so well and everyone has entered into the spirit of making the week a huge success. Stroking alpacas, tango dancing, building the Alps out of lego, scavenger hunt, Euros and the World Cup, Tour des Alpes, musical instruments from around the world are some of the amazing learning experiences the children have taken part in.

**DID YOU
KNOW?**

- that an alpaca has 3 stomachs?
- the serpent horn was created over 600 years ago!

Next week we will be visiting the Gobi Desert on Monday and finishing our race by the Tasman Sea.

YEAR 6 TRANSITION

This week there have been a number of transition days which have taken place with our Year 6 children. It was good to see that some fears, nerves and anxieties have been reduced.

EARRINGS AND NAILS

If you are thinking of getting your child's ears pierced, please could you do this during the 6 week break to ensure they don't miss out on any activities when they are at school. Also could all children with pierced ears wear studs for health and safety. Also acrylic / false nails will not be allowed to be worn by children. Once again these have an impact on activities especially sport.
